## SUPPLY CHAIN PROCEDURE

When it comes to safety, our team and yours is our highest priority. We have a specialist team, trained on our market leading supply chain procedure which includes:

-  Sanitation kits in all trucks and a strict protocol for cleaning of equipment before and after use.
-  Daily cleaning of trucks and cabs.
-  Wearing a facemask, gloves and a clean hi-vis entering customer premises.
-  Changing their gloves and sanitising their hands for every delivery.
-  Maintain social distancing.
-  Restricted, controlled access to central distribution centres.
-  A strict return to work process.
-  Remote working for office roles.
-  Staffing contingency policies.
